Welcome to the 2024/2025 Fall and Winter Clearview Township Activity Guide.

It would be my hope that you will find opportunities to explore and discover the Township of Clearview inside the pages of this guide. Clearview is such a wonderful place to live. We are blessed with beautiful landscapes, the wonders of our natural environment, and the friendliest people anywhere in Ontario! If you have an interest in rural culture or a taste for the urban fare, you may find it here. If you don't find what you are looking for in this guide, then please take a look online at our Discover Clearview website, [discoverclearview.ca](http://discoverclearview.ca).

Our Township encourages events that promote community spirit and connect residents and visitors in each of our hamlets and villages. Come and meet your neighbours at one of the Small Halls events, cheer on the local sports teams or volunteer for a local organization. Recreation services and community cultural celebrations are all part of the Clearview experience. This year, the award-winning Small Halls Festival is celebrating 10 years with celebration concerts starting in September. Another exciting project that has been implemented is the new Active Communities Project funded by Ontario Trillium Foundation, which will embark on 2 years of active programming for youth and seniors. We are proud of our rural roots and look forward to an exciting future!

You can stay connected to the Township of Clearview by visiting our website [clearview.ca](http://clearview.ca). Or explore the tourism opportunities at [discoverclearview.ca](http://discoverclearview.ca)

### Stick Curling

It is now common to see curling stones being delivered from the upright position with a stick that is slipped over the handle of the curling stone. This allows participation by people who have a physical limitation or those that are taking up curling later in life. Using the stick removes the need to master the traditional slide delivery. You can curl as a stick curler in any of the Leagues.

### “Learn to Curl”, “Try Curling” and “Jitney Packs”

The Stayner Curling Centre offers a variety of curling programs for new curlers throughout the Season. These programs are designed for people who would like to curl but are unsure about how to get started in the sport. The programs also offer the chance to curl without the commitment to a full league. Curl on your own schedule. The curling equipment is provided, and instruction is given by experienced Club Curlers. You will quickly learn to curl and have a lot of fun doing it. Look at the options and register on our web site [www.staynercurling.com](http://www.staynercurling.com). Registration opens in September.

# SKIING AND SNOWSHOEING

Winter can be a fun time for families to get outside and enjoy some fresh air. For some they have been lucky enough to find how enjoyable a day out skiing can be. It does not matter if you are more into the speed of downhill skiing or if getting away from the crowds with cross country skiing is more your thing, both are great ways to enjoy the winter months. In Clearview we are lucky to have businesses offering both, plus spectacular trails for snowshoeing.

### Nottawasaga Bluffs Conservation Area

## Creemore Log Cabin – early 1870s, relocated 2011

First built at the edge of the village (at George and Mary streets) and constructed with trees harvested locally, this is the last original log house in Creemore. Its first residents were James & Abigail Scarrow and their ten children. Early in the 20<sup>th</sup> century, Joseph & Emily Veitch made it their family home, followed by their daughter, Hazel (Veitch) Shaw. Its last resident, Marlyn Shaw, lived in it alone for many years.

Over time, the cabin's exterior was radically altered, and its interior changed, but the basic structure remained. Early in this century, community volunteers raised funds to save the building and to reconstruct it centrally in the village on vacant former railway land. Owned by Clearview Township, the cabin is financially supported and administered by volunteers. It serves as a venue for cultural exhibits and programs. "History Hosts" welcome visitors on Saturday mornings from Victoria Day to Thanksgiving.

## Creemore Historical Walking Tour

Clearview Township and Purple Hills Arts & Heritage Society, along with Creemore Springs has placed historical plaques in the village of Creemore as part of the self-guided Historical Walking Tour. Learn about the founding fathers and businesses that established the village of Creemore. Download the map: <https://phahs.ca/creemore-historic-plaques-walking-tour/>

## North America's Smallest Jail – 1892

Under the direction of the village Constable, this little "lock-up" served for half a century as a secure place to jail lawbreakers. For offences like drunkenness or disturbing the peace, inmates were lodged here over night. Those charged with more serious crimes were held here until transported to the County Sheriff in Barrie. The lock-up not only jailed lawbreakers, it occasionally provided social service. From its earliest years – and especially in the 1930s Depression – "tramps" found short-term shelter here and were fed at village expense.

In the 1940s, new provincial police regulations closed this local lock-up. In the 1960s it re-opened as a tourist attraction, promoted as "North America's Smallest Jail." Although other communities may contest the claim, Creemore continues to affirm its title as a village with "a big heart and the smallest jail." From May through October, the little lock-up is open daily to the public.

## Stayner Heritage Homes Walking Tour

The Heritage Homes Walking Tour of Stayner includes 15 featured homes within walking distance of downtown Stayner. The self-guided tour is organized by the Stayner Heritage Society and visitors are encouraged to read about the homes, the families and businesses that helped to grow and develop the town of Stayner. Pick up a copy of the map and guide at the Tourism Information & Heritage Centre or download the map at: [www.staynerheritagesociety.com](http://www.staynerheritagesociety.com)

## STAYNER & DISTRICT KINSMEN CLUB

The only all Canadian service club. Funds are raised through a variety of community events which support local projects such as sports team, community groups and the local food bank. Annual events like the Kinsmen Duck Races in May and the Stayner Santa Claus Parade raise money and food for the community. The newly constructed Kinsmen Pavilion was officially opened in 2022 at the Centennial Park on Brock Street, Stayner.

**LIONS CLUBS INTERNATIONAL** is the largest, most recognized service club in the world.

The Stayner Lions Club has had a presence in this community for over 67 years. We are a busy club of men & women with a common goal - To serve. We hold an annual Mustang draw, suppers, pancake breakfasts, operate the concession booth at the arena and do park and roadside cleanup.

Through our fundraising efforts, we can donate to camps for children with cancer, diabetes, kidney disease, vision loss and hearing loss. Locally, we support youth organizations and are always willing to lend a hand to those in need.

Our Clearview community is always there to support our fundraising events! Thank you!
